MARCH HEALTH EDUCATION AND WELLNESS PROGRAM—MENTAL HEALTH MONTH—ANGER: All of us have felt anger at one time or another, but most of us have learned to control it. However, sometimes anger can get out of control and turn destructive to ourselves or others. March's packet will help you understand anger and tell you how to express it constructively and redirect it in a positive way. Strategies and techniques to help you calm down and resolve your anger will also be included. Packets will be available at all medical facilities and upon request to Carol Roth, BOC-005, 867-2026. (JJ-C)

SECURITY NOTICE: Personnel are reminded to contact the KSC Locksmith Office BEFORE having any security containers excessed to ensure the necessary combination changes are made. To schedule this service, contact 867-3131 to submit a trouble ticket. (FF-S1)

KSC OPERATOR-PLACED INTERNATIONAL TELEPHONE CALLS: A mailcode **MUST** be provided for all international calls made through the KSC Operator. If foreign payload customers are to be using the KSC Operator to place international calls at KSC expense, they must be able to provide a mailcode (e.g., BB, BC, BD). The KSC Operators have been instructed **TO OBTAIN A VALID MAILCODE PRIOR TO PROCESSING THE CALL(S)**. (FF-I3-B)

PERSONAL CALLS ON KSC-ISSUED CELLULAR TELEPHONES: Numerous personal calls are being made on KSC-issued cellular telephones. Please remember that personal calls are prohibited. Limit the usage time on your official calls, and restrict usage to times when no landline telephone is available. Also, cellular-to-cellular calling on KSC is not recommended except in emergency situations—because costs are incurred for incoming as well as outgoing usage, and cellular trunk facilities are being overloaded. (FF-I3-B)
